

*Biodiversity and environmental Change  
an integrated study encompassing a range  
of scales, taxa and habitats*

***Final project meeting and workshop***

Venue: Jonathan Swift Lecture Theatre, Arts Block, Trinity College Dublin

Date: Thursday 7th January 2010

9.00 - 9.30 Registration

10.00 – 10.30 Welcome address

10.30 – 11.00 Biochange: Major findings and recommendations

11.00 – 11.30 Coffee

11.30 – 12.00 Introduction to workshop themes 1 & 2

12.00 – 13.00 Parallel Workshops

1. Habitat loss and fragmentation
2. Researchers, society & information

13.00 – 14.00 Lunch

14.00 – 14.30 Introduction to workshop themes 3 & 4

14.30 – 15.30 Parallel Workshops

3. Bioindicators and long term monitoring
4. Climate change and invasion

15.30 – 16.00 Coffee

16.00 – 16.30 Workshop findings and recommendations

16.30 – 17.00 Summary Professor Michael Usher

17.00 – 18.00 Reception and poster session

**To register contact Louise Scally at [lscally@biodiversityresearch.ie](mailto:lscally@biodiversityresearch.ie) before December 23<sup>rd</sup> 2009.**

**No registration fee applicable**
